Enthusiasm for the Road.

Well Attended Meeting of Norway Board of Trade—Committee Appointed to Arrange Land Damage.

There was a good attendance at the Board of Trade meeting, Wednesday evening, composed of citizens of the town and village. It was a meeting of the Board of Trade called for the purpose of considering support of a railroad to Watford.

Wm. G. Rand of Boston presented the proposition of the owners of the company that had bought the franchise of the Oxford Central electric railroad, which was clear, definite and positive. It was that the company proposed to build the road, and all that was asked of the citizens, individual, town or organization was an agreement to give the company a clear right of way for the road, the deed to be delivered when the road was ready to operate. He stated that the citizens of Watford had guaranteed the largest damage far as that town was concerned, and that it was very likely that the citizens of Norway would not want to have any legal complications on account of land damage, and they did want that responsible citizens might arise. The company would immediately upon the work, and get ready for its operation.

Selectman A. J. Stearns advocated the appointment of a commission to ascertain the amount of land damage required and to recommend plans for securing of money to pay for the same.

B. G. McIntire of Watford spoke in relation to the practical character of the movement, and said that all damage in Watford would be disposed of by the citizens of his town. W. H. Kildore and L. E. McIntire spoke to the same effect.

Addresses were made in regard to the matter by Wm. C. Leavitt, Pres. E. N. Sweet, J. A. Roberts, H. B. Foster, H. J. Bangs and Dr. H. L. Bartlett, all very favorable, and advocating the appointment of a committee. Pres. Sweet then appointed F. W. Sanborn, H. B. Foster, Dr. H. L. Bartlett and J. A. Roberts on the committee, to arrange for the settlement of all land damage.

The plans were studied and questions answered by Mr. Rand, in which he stated that it was the company's desire to build at once, that unless prevented by some exceptional contingency that it would be begun at once, completed and put in operation this season from Norway village to East Stoneham, and probably the South Watford branch as well.

After the railroad matter was disposed of, the matter of a village committee, which had been passed over at both town and village corporation meeting, was brought up and advocated strongly by the president, A. J. Stearns, esq., spoke of the position of the municipal officers of the town and the village, and several who advocated the district system on the ground of economy, that it was needless to call out 65 men for the sort of fire alarms that have been had this year. On the contrary citizens cited instances like the Truman and Ward fire where one cart did not hold hose enough to reach the fire from the nearest hydrant, which was a dangerous thing if only one company was to respond. Several similar locations were cited and the question was asked as to which company should have responded to the last alarm that was sounded, which amused the voters much. The section was amended, providing for all the companies to respond to all fires, was adopted. This also disposed of sections 3, 4, 5, and 6.

Under section 7 in relation to the providing of shafts and horses to pull the fire apparatus, it was voted to pass the article.

Section 7, fixing the pay of the clerk of each company at one dollar and paying each monthly meeting and each member fifty cents; all members shall receive one dollar for attending fires, was adopted and the moderator ruled that this disposed of article 4 of the warrant which had been tabled.

The amendment to section 1, of article 4 of the village By-laws, which permitted orders to be drawn by the assessors without counter-signature by the clerk was adopted as recommended.

The article in relation to setting out of shade trees was explained by M. L. Kimball, esq., and the sum of \$30 was appropriated.

The article in relation to appropriation for watchman's services was passed over.

The article to pay the Oxford Light Co. \$124.28 for repairs to the fire alarm system called a vigorous discussion. Assessor A. J. Stearns made a statement of facts and read the bill. Several remarks were made and a representative of the company was called for, but was not present. It was finally voted to pay the bill.

The sum of \$4,600 was voted for current expenses of the year. This finished the business and the meeting adjourned shortly after 8 o'clock.

Allie Crommett, who is very sick, is reported no better.

Mrs. W. S. Pratt is very sick at her home on Fair street.

Lillian Moore is working in the sled factory at South Paris.

Lillian Bibebe and Nettie Bonney spent last Saturday in Lewiston.

Josie Canwell of Sumner has resumed her labors in the shoe shop.

Joseph Holt has bought the house he has been living in, of Fred A. Young.

Mrs. John H. Fletcher entertained the Guild of Church Workers Friday afternoon.

Oxford Castle No. 2, K. G. E., will be in the first degree this Thursday evening.

Lizzie Johnson is soon to go to the King hospital in Portland for medical treatment of a tumor.

Irving L. Pike was taken sick Saturday night and underwent an operation for appendicitis Monday morning at his father's, Horace Pike's. He is recovering nicely.

## Couldn't Lift Ten Pounds.

Doan's Kidney Pills Brought Strength and Health to the Sufferer, Making Him Feel Twenty-Five Years Younger.

Sick kidneys cause a weak, lame or aching back, and a weak back makes a weak man. Can't be well and strong until the kidneys are cured. Treat them with Doan's Kidney Pills. Here's the testimony of one man cured.

J. B. CORTON, farmer and lumberman, of Deppe, N. O., says "I suffered for years with my back. It was so bad that I could not walk any distance nor even ride in my easy buggy. I do not believe I could have raised ten pounds of weight from the ground, the pain was so severe. This was my condition when I began using Doan's Kidney Pills. They quickly relieved me and now I am never troubled as I was. My back is strong and I can walk or ride a long distance and feel just as strong as I did twenty-five years ago. I think so much of Doan's Kidney Pills that I have given a supply of the remedy to some of my neighbors and they have also found good results. If you can sift anything from this rambling note that will be of any service to you, or to any one suffering from kidney trouble, you are at liberty to do so."

A FREE TRIAL of this great kidney medicine which cured Mr. Corton will be mailed on application to any part of the United States. Address Foster-Milburn Co., Buffalo, N. Y. Sold by all dealers; price, fifty cents per box.

## OXFORD.

McAllister-Brockway.  
William H. Brockway and Florence M. McAllister were married in Lowell, Mass., April 6. Mrs. Brockway was formerly a resident of Oxford, a highly educated and popular young lady, and she has the best wishes of her many friends in this place for her future happiness. Her mother, Mrs. J. L. Holden, and her brother, Walter Holden, went to Lowell last week to be present at the wedding ceremony.

## In Memoriam.

On Saturday afternoon, April 9th, at the home of Mr. and Mrs. George E. Hawkes in Oxford village, occurred the funeral of their only daughter, Mrs. Ida B. Haggett, late of Portland, aged 29 years. Mrs. Haggett had been ill for several months, principally with an affection of the heart. The occasion was particularly sad, as it was only a year and four months since a large circle of friends were gathered there to witness the beautiful marriage ceremony and her going away, a happy bride, with her husband, Edward S. Haggett, to their home in Portland. Rev. Frederick Newport of the Congregational church officiated both at the marriage and the funeral. Appropriate selections were sung by a quartette under the direction of George Jones.

The floral tributes were many and beautiful from personal friends, as also from the Congregational society and the Sons of Temperance Division.  
Mrs. Haggett was possessed of musical talents which she carefully tuned and willingly used for the good of society, being for a long time a member of the Congregational church choir. She was a charter member of the Temperance Division, and always took an active part in its work, as also that of the Christian Endeavor society.  
Beside the husband and parents, she is survived by one brother, Hon. Frank Hawkes of Boston, Mass. They all have the warm sympathy of a large circle of friends, who had great respect and love for Mrs. Haggett, and who feel that the sad loss is truly a mutual one. The burial was in the family lot in the Congregational cemetery.

Mrs. Caroline Bumpus is ill and under a physician's care.

There will be more flowers and flower hats than ever this year. Her stock will be decorated in lavender and light green in honor of the opening. Jennie M. Brown is going to assist her in the decorations, and Bessie Whitman is going to clerk for her during the millinery season.

## HIRAM.

Sued Ossified Man for \$25,000.  
The New York World of Wednesday printed the following special despatch from Philadelphia, Penn. Are all ossified men hearted?  
It is said that a certain man, who has entered suit for \$25,000 worth of damages to her too trusting heart against Charles E. Gilpatrick, of Hiram, one of the three ossified men known to science.  
Gilpatrick came here from Boston, where the love-lorn Lillian, according to her story, met and was won by him.  
Miss Gillis declares the faithless ossified one secretly absconded to Philadelphia. Gilpatrick declares there is nothing to the courtship story and that he'll be petrified before he pays a cent.  
"The children with the streamlets sing, When April comes at last her wedding, And every happy growing thing, Laughs like a babe just roused from sleep."

## All Humors

Are impure matters which the skin liver, kidneys and other organs can not take care of without help, there is such an accumulation of them.  
They litter the whole system.  
Pimples, boils, eczema and other eruptions, loss of appetite, that first feeling, bilious turns, fits of indigestion, dull headaches and many other troubles are due to them.

## Hood's Sarsaparilla and Pills

Remove all humors, overcome all their effects, strengthen, tone and invigorate the whole system.  
"I had salt rheum on my hands so that I could not work. I took Hood's Sarsaparilla and it drove out the humor. I continued its use till the sores disappeared." Mrs. I. O. Brown, Rumford Falls, Me.  
Hood's Sarsaparilla promises to cure and keeps the promise.
